“ I have so many good memories of Cecil. I loved sitting out on the back patio of their home in Mesa and be fertile ground for his humor:-) He always made me laugh. He was a very special man, husband, friend, father, brother that we all learned so much by his sweet example. My thoughts and prayers will be with you Sharon and your family.

God Bless You All!

“ So many fond memories are held by my family, especially by my husband and son David. He was such a kidder and always found a way to make them laugh. Allan still talks about the time Cecil came to LA and met us for dinner it was quite a dinner; Cecil ate two lobster dinners then joked about stopping on the way out of town for coffee and dessert! The topping on the cake was while we were waiting for the Valet to bring our cars and Cecil told us that he had left \$3,000 under the floor mat of his truck -- can you imagine doing something like this in LA?? But that was Cecil, he trusted everyone. We will miss him dearly and will hold a very special place in our hearts as well as the hearts of his family and many friends that were fortunate to have had him in their lives. Sharon, Ric, Curtis and Shelly you were very lucky to have had him as a husband and father. He will always be with you and watch over you and his grandchildren. With all our love to all of you.

“ Cecil never met a stranger and never forgot a friend. I've known him for more years than I want to admit and I've never heard anyone say a bad word about him. Gosh how I will miss the teasing and that big smile and those great hugs. Much love to the family he was so proud of. So sorry for your loss.

“ I will never forget that one of a kind smile and sense of humor whenever seeing Cecil. I would go out of my way to stop by and see Cecil and Sharon just to say "hi" on my way up to the farm on Hill Ave, just to hear that laugh and get teased like only Cecil knew how to do. Thoughts and prayers are with Sharon and family at this difficult time. Cherish the memories and smile because Cecil will always be with you!

“ As a child and a very unique and special relationship I will always remember the kidding and jokes he would play on me. As an adult, I will always cherish the day he walked me down the aisle on my wedding day. I will miss him dearly and wish we could have had more time to spend together but I know he will be keeping an eye on me until we meet again.

“ I will forever miss the words " hell man the only thing we can do is keep going" when we are stuck on a logging trail in northern Arizona or the redwood forest in Northern California where we were stuck in a tree. I have had many adventures in my lifetime but none will ever equal the many good trips with the humor I had with Cecil. It was an honor to know him and be able too call him my best friend.
