“ What a beautiful tribute to a phenomenal woman!
Family and faith shine through in every photo. Will watch the video again. A lovely life that we were privileged to share with her. So many lives are touched and influenced by Deanna's God given gifts.
Thank you for being our friend. Heaven's chorus welcomes her.

“ Mrs. Kuiper was my music teacher at Spirit Lake (Iowa) Elementary and Jr High. She always kept her cool and could produce music programs for everyone-- while orchestrating the piano, helping someone off of the risers, and handing playing mallets to someone who was going to play the glockenspiel. Mrs. K created "The Swingers"-- a music group that would sing and dance during my Jr. High years. It was really a fun group -- as we (boys and girls) learned dance steps and sang and danced. It was a lot of fun-- I still have my baby blue t-shirt!
My sympathies to Bob, Tracy, Shelia, Craig and to her family and friends.

“ I remember Deanna from our Bloomfield High School Days. Her parents were very popular sponsors for our Christian Youth Fellowship. Great community volunteers! Deanna and I spent time together in the high school music program(s). I, too, was a church organist for several years. Memory does not serve me well, but she may have been a part of my initial inspiration.

“ Mrs Kuiper was my vocal music teacher for the four years she taught at Walnut High School. Before school, after school, on her break between her other classes - she was always there for her students to squeeze in another practice so we could be our best! I think I speak for many of her former "kids" of how respected and loved she was. My sympathies to you, Mr. Kuiper. I hold you and your family in my thoughts and prayers.

“ Goblins, alley cats, withches on brooms, wind in the trees-singing scary tunes. These are the the things that are heard & seen in the dark of night on Halloween.

My three daughters know this song by heart thanks to her beautiful teaching!

My favorite music peep!

I did not make the ' swingers' team but always loved that she 'let' me play the xylophone since Wilma Claussen was teaching me piano lessons.

Bob was my junior High soft ball coach for the

Expos in SL.Craig graduated with me in 89. Tracy & all family...

Much joy with music &

“ Our family has very fond memories of Deanna, Bob & their children. Deanna taught piano to 2 of our daughters. We sang in the SL Methodist choir with them, & I was Tracy's first sitter in my home when Deanna returned to resume her music program at school, when he was a newborn. They were fine people, so dedicated to serving others. Our sympathy to all of you, who loved her so. Vivian Lundgren

“ I can't believe Deanna is gone. I just saw her a few weeks ago and we had a great visit. She seemed so up and positive. Our thoughts and prayers are with you, Bob, and family. She was a real asset to our school and community and my boys enjoyed having her as their music teacher and being a part of her "Swingers." We can now rejoice that she is walking with Jesus!

“ The Class of 1958 - Bloomfield, IA sends their sincere condolences. Deanna was very active in school with Music, Band, Chorus, Annual Staff, played the Trumpet and Piano. De De was a friend to all. She always tried to attend our class reunions, but had to miss our 60th reunion in September 2018, because she was hospitalized. She will be sadly missed.
