“ Dennis and Darlene, always referred to as "The Wallins"...What a pair! Our connections are many and varied. From basketball, golf, corvettes, family, The Villages, Venice, Okoboji, so many shared times and memories. Thanks for being such wonderful friends. Dennis is known in our neighborhood as "The Miracle Man" and they are "our friends with the yellow corvette". Love you!

“ I remember keeping score with Dan during the city league basketball games on Thursdays and being amazed by Denny's shooting. Now that I'm roughly the same age he was then, I am even more amazed. He was a great guy who touched a lot of lives in a variety of ways. My condolences to the Wallin family.

“ Darlene and Family,

Gloria and I send you our thoughts and prayers on the passing of Dennis. We reminced about the time you and Dennis came to Reedville and we all went to Norfolk and visited Gloria's mother and had lunch at the MacArthur Center. I don't know what year that was but it must have been in the early 2000's as I think our daughter was a student at Old Dominion University at the time.

God Bless and our prayers are with you all.

“ Darlene & Denny (our upstairs neighbors) You have left footprints on our hearts, as well as on the floor boards above us. Your strength and courage over these past years has been truly inspirational. Denny's collections of shark teeth and Matchbox cars was unbelievable. HE had a passion for many things but especially LIFE. MAY THE ANGELS OF HEAVEN GREET YOU AT THE GATE WITH YOUR GOLF CLUBS AND YOUR BASKETBALL.

“ Denny and I grew up together in the same neighborhood in Spirit Lake, and were lifelong friends. Over the past few years, Denny would play golf at The Villages, FL with me, Dick Kelley and Larry Jansen. WOW, he could still play a great round of golf and was always very competitive. I will miss him so much...

“ Denny was one of the first people I met when I moved here to Spirit Lake. I enjoyed visiting with him so much. He was an interesting upbeat person who always took time to talk. I enjoyed seeing him at the Library. He loved to read! I will miss him at Garage Sales, too. My favorite story he told me was of the watertower in town he climbed with friends while in High School. I will MISS you Denny!

“ I have several when we were in the university of corvette club together, but one was when he beat us to Al' Oasis and when I walked in on the ATM machine was a note in big letters. "Feed me Dr. Roberts" Denny had a great sense of humor and he will be missed.

“ I'm saddened by the Passing of a dear friend and teammate. I began playing basketball with DENNY as an eight year-old snotty nosed whirl of excitement when asked to play on the outdoor courts behind the old 1914 school building(no YMCA or open gym then unless he boosted me onto the fire escape ladder to climb to the third floor to open the boys bathroom window, which was slyly propped open by a small pebble. When cold weather made it difficult to handle the ball Dennis gave us the idea to cut the ends of our mother's thin dress gloves in order to "feel" the ball better.Surpisingly my mother (a running center; if I have to explain, I'll save that for another time.) We played on that old asphalt court through rain,sleet and snow.Dennis became the greatest gunner in Spirit Lake basketball history in my opinion, and I have several hundred assists to attest this. When they came up with the 3- point play it was like Christmas and a birthday gift that lit up Denny's eyes and could he "light it up." Great Hands as the catch vs. Storm Lake he caught from Butch Pashby two yards short of scoring the winning TD to upset the eventual conference champs.Denny was one of three players I seldom could defeat in a free throw contest, even in the no peek or look shooting. Well as in basketball, Dennis played hard, loved well,fought disease through over four quarters of life and took the game of life into several overtimes typically never wanting to quit.Goodbye dear friend and teammate, see you on the court in the big arena above.

sincerely, you have made my life a much better experience. You will be missed,

Terry (the "bigO") Osgerby
