“ My prayers and love to you all!
Your mom was a lady of grace and gentleness to us who spent time at your home as kids growing up!
(She was born the same year as my mom, whom I lost 5 years ago when she was 96 and a half.)
I am sending hugs, knowing that the world will never quite be the same without the wisdom and guidance of our wonderful moms.
We carry on with what they taught us.
Blessings!

“ We enjoyed having Jean for our neighbor in Arthur Heights. She always took time to stop and chat on her way to or from the mailbox.

“ Mary, Margaret and Sue,
It's so hard to believe that Jean has started her new life with God. I have so many wonderful memories of times spent in your home. Jean was always so cordial and patient with us and the messes we made. Whenever my parents were out of town, I was welcomed into your home!! I know you know how blessed you've been to have your mom in your lives. May Jean Rest In Peace and May God bless all three of you.

“ Mary, Margaret and Sue,
What a wonderful mother you three had! I have so many memories of fun times spent in your home. Your mom was always patient and kind to me, even when I was attempting to smear butter all over my hands to pull homemade taffy with Mary. As an adult, I considered Jean to be a treasured friend. You three have been blessed to have this woman in your lives. May she Rest In Peace and May God bless you all
