“ I knew John for many years working at Superior Coop. He was such a kind, gentle man... always a smile and a friendly conversation. I remember when he was on the Board of Directors and we had our annual meeting and I mistakenly put his name tag on instead of my own. When he went to get his the only "Eckard" there was Joan not John... he teased me about that for a long time. HA! You have my deepest sympathy, may your wonderful memories bring you smiles and comfort!

“ Alice and family,
Our condolences at hearing of John's graduating to heaven. He has recieved his reward for his faith. I have fond memories of John. He was my first employer. He paid Bob, Les and I top wages at that time (\$1.25/hr.) for walking beans and baling hay. We are kind of out of touch since we started wintering in FL. Sorry I'm late with this.

“ Alice and children,
Such fond memories I have of all the good times with you both! Eating out, going for drives around the lake, boating, fishing, Lenny's memorial, and just being together with my mom Nellie and you guys. John always looked after Nellie, and we all appreciated that! Johnny was a great guy, and the most patriotic person I have ever known. How he loved talking about his military days! John left us all with such good memories and he will be missed by so many!

“ Uncle Johnny was my very most favorite uncle. He always had great stories to tell and always enjoyed being with kids and horsing around with them. As a child, my parents, sister and I visited Uncle Johnny and Aunt Alice at least once a year, even after we left Iowa and moved to Texas. Uncle Johnny, you will be missed. Rest in peace.

“ May your hearts find peace and comfort in knowing that soon, all suffering and death will be no more - Revelation 21:3, 4. My deepest condolences to the family for your loss.

“ So sorry. Your dad was such a nice guy. I used to buy Bingo cards from him for my mom and he would take them home with him so I could pick them up at the house. Of course we always had to listen to all the tales about the kids and grandkids. He was a good husband and dad and I know you will miss him a lot. He may just run into Cec and they can tell stories together. Hugs and my blessings be with you.
