“ Suzy and family, I am so sorry to hear of Bob's death and that I couldn't be at visitation or his funeral. Bob was a wonderful man and I so enjoyed driving the Rides Bus with him. Many times while I was on duty and didn't have a call I would stop at Bob and Monica's for a cup of coffee and a roll or cookie. I enjoyed talking to them so much. You couldn't find a nicer couple anywhere. My heart is very sad for you!

“ Susie, Pam,Lowen, you have my deepest sympathy and love. I liked Bob from the 1st time I met him. (Which might have been the day Morley and I got married and your mom and dad were instigators in helping to steal the bride, me.) He was a very special person. You could always see how much love your mom and dad had for each other. Now they are together again. I know you will miss him so much. My thoughts and prayers are with you all. God bless. I love you, Sandy Specht

“ Pam and Susie, I've admired your father and mother all my life. My spirits were always lifted to talk with them by phone or see them in person on a visit to Iowa. Since your mom died, your dad and I have written notes back and forth between Iowa and Colorado, just to keep in touch. I've saved them to cherish - to see your dad's handwriting all in capital letters and to hear what he'd been doing, what he was up to with Lowen, how much he missed Monica, and - in every note - how much he appreciated "his girls" helping him and taking care of him. I'm there with you in spirit as you mourn the loss of your dad and sending you love.

“ It says share "a" memory. Not possible. Both your parents were so intertwined with our family. Garage sales, freezing corn, BBQs, getting to ride with your dad on his 7up route. So many good memories. He is at peace now and with your mom. Loved them both and so glad I got to see him a couple weeks ago.
