“ Chris Jr pretty much said it all. Alice was a unique person in so many ways and I was blessed to have called her my friend. She and Eddie were always a part of my life growing up in SL. From Eddie and Chris hiding out our families pet racoon in Minnesota from our game wardens ire, and then through the years I returned to SL in the summers and would sit with her in the garage, and love the sound of her gravely voice, sharing our observations of the world. I will miss my friend and continue to think of her often.
