“ Amanda was a very special person who in her very short life managed to climb into the hearts of many! When she was at work she always had a story for me or would just stop by my desk to say Good Morning! I don't remember a day I didn't see her without a smile on her face. She will be missed dearly by many! May she rest in peace!

“ My sweet Amanda, what a source of wonderfulness you were in High School! It was always the highlight of my day to work with you mostly on science and math, which you were VERY good at btw! Your perfectly written notes were so neat and tidy and you were always so organized. And oh my, the fun we had in the Culinary Cafe! Love you Miss Amanda. You will be forever in my heart. :)
