“ Dee Rae and family,
Your mom has left her earthly home but is now in her heavenly home. It is never easy to let loved ones go, but she is at peace and no more suffering. My prayer is for God to wrap you in his loving arms and give you strength. Hugs from me to you.

“ *Dana, Betty and family. Our sympathy is with you and will keep you in our prayers. She is now with your dad, and I'm sure she is running races in heaven, No more pain. Losing your mother is very hard, no matter how strong your faith is. But when you think of her having to be on oxygen and if she was in pain, she is now better off. Just remember the fun your family had, and we remember all the "dinner" we had in the garage at Dana and Betty's. Keep your faith. You will see her again. Love and friendship. Karen & Lynn Wee.*

“ Dee Rae and Dana-I met your mother several years ago and the word that comes to mind is, "Fireball." Her energy and her love of her family was so evident. You have my sincere sympathies at this sad time and in the days ahead.

“ My grandma meant the **WORLD** to me! Not only am I the oldest grandchild, I was also named after her! I was so very blessed to have her in my life! She taught me to love black jelly beans, lefsa, rosettes, and pickled herring! I remember my sleep overs, the night wasn't complete without "MASH" and "Trapper John MD". She comforted me in my time of sorrow when my mom passed away and stepped up to the plate to fill her shoes. When I graduated nursing school she was there to pin me, she walked me down the aisle when I got married and I'll never forget the smile on your face and the twinkle in your eye when we surprised you at Christmas! I know you are no longer in pain and your wings have set you free, but there is a pain deep within my heart that will remain for all of eternity. I'll fill it with your love and all of your memories, until we meet again Grandma, in my heart you will always be. I love you to Heaven and back!

“ One of my favorite memories of Grandma would have to be from my childhood. My Grandma would take care of us when our Mom was at work and I remember telling my Mom that “I don’t want to go to Grandma’s anymore”. Of course, my Mom asked “Why?” and I told her, “Because all Grandma makes is meatloaf, meatloaf, meatloaf”. What I wouldn’t give to have some of Grandma’s meatloaf right now.

“ Mom was a strong person even though she was thrown many curve balls. She taught me that I should know the difference between right and wrong and do what’s right. That has stuck with me my whole life. Thank you Mom.
