

Beatrice "Bea" Ann Currier

December 15, 1940 - April 9, 2021

Beatrice "Bea" Ann (Wills) Currier, 80, of Spirit Lake passed away on Friday, April 9, 2021 at Lakes Regional Healthcare in Spirit Lake.

Beatrice Ann Currier was born to Harold & Irene (Magee) Wills in Hartley, Iowa at the family farm December 15, 1940. She graduated from Hartley High School in 1959. Soon after graduation she attended Stewarts Beauty School in Sioux City, Iowa. While working at Larsen's Beauty Shop, in Spirit Lake, she met the love of her life on a blind date, Lee Currier. They wed in Minneapolis on July 28, 1962. From this union Ty and twins Troy & Tara were born. Lee & Bea were together for 59 years until Lee passed away from Covid-19 Dec. 30, 2020.

Bea was the ultimate "busy bee". She enjoyed every task while cherishing everyone she met. Bea took on the head of housekeeping at Village East /West, Berkley Fishing, Hy Vee, accounting for Lee, fish cleaning, "night crawler" picking, planting flowers, and much more. Bea did it all.

Bea loved her Golden Retrievers, duck decoy collecting, and watching the Vikings & Hawkeye games with Lee. Every holiday, birthday, & anniversary was very special to Bea. She gave so much of herself to her family, friends, talents, and work without complaint.

Bea is survived by her children Ty (Karen) Currier of Spirit Lake, IA; Troy (Linda) Currier of Dennison, IA; and Tara (Gene) Hofer of Bridgewater, SD; grandchildren Nickolas, Carson, Tanner Hofer, and Jenna Currier; brother Harold (Marlene) Wills of Hartley, IA; brother-in-law Robert (Sylvia) Currier of

FL; sister-in-law Mardi Currier of Spencer, IA.

She was preceded in death by her parents, husband Lee Currier, brother Larry (Barb) Wills, brother Robert Wills and in laws Gilbert and Lois Currier.

Per her wishes there will be a private family graveside service when a date has been decided upon in the Pleasant View Cemetery in Hartley, IA.

Memorials may be directed to support the SLPA (Spirit Lake Protective Association).

“ I so enjoyed seeing Bea and her smile in HyVee and always chose to check out with her when she was there. We would talk about what was happening on her side of Big Spirit as we are on the south shore. It seemed like it was just yesterday that we had the conversation about the ice going out this year. I had a conversation with Karen in the HyVee parking lot not too long ago and at the time, I didn't think that Bea's passing would come so soon after Lee. Condolences to the entire Currier family, Bea was a real firecracker and I know you will miss her light in your world. I am also a Board member for SLPA and on behalf of our organization I want to thank the Currier family for directing memorial donations to SLPA. Through this donation, her memory will live on in the Big Spirit community.

“ Going to the lake in August meant seeing the Currier family. The strong friendship my mom had with Bea was resumed even though they had been apart for a year. Bea was so welcoming and had put her special touch in getting the cabin ready. Every morning she would come across the yard to have coffee and their morning chat, later after she had worked, she would bring ice tea and they would talk. They would often be seen hunting “worms” after dark with their flashlights, using them to fish the next day. Bea was the “essence” of all our lake trips. She could prepare and cook perch in a way that even satisfied the non- fish eaters. Her kindness, her energy, her love for her family, and her friendship is what I will cherish. She will always have a special place in our memories of the lake.

“ My deepest sympathy to Bea's family. I knew Bea from Village East Resort. I was the Administrative Ass't. We sometime met in the cafeteria along with Donna Gould, Head of Housekeeping. Bea was a sweet lady. I always enjoyed talking with her. Most of us moved on after new people took over the resort from Sioux Falls. I didn't see Bea for quite a while but one day I was in Hy-Vee. She spotted me and came over and said hi. She always had a smile and nice things to say. God rest her soul.

“ *Condolences to the family of Bea and Lee Currier, salt-of-the-earth people, who contributed MUCH to the Lakes Community. I had the privilege of working with Bea at Berkeley's in the early artificial bait days and like so many others, sought her out in the Hy-vee checkout line to enjoy her smile and friendly conversation. Your loss is profound; please know many are grieving with you.*
