“ *Becky and I go back to grade school together. We weren't always around each other but when we would meet up again it was always a good reunion. I was the same age as Becky, in fact...I was born on February 19, 1948 so I knew the younger part of the family through school together. Becky had such a beautiful voice and I always envied her for that. I was living in Omaha when my sister, Sevilla told me that she worked with Becky at Berkleys and were going out for dinners etc and enjoying it. Becky had a big heart and even though it had some stitches from life's discomforts, she didn't remain bitter for too long. God Bless Becky for knowing, wanting and feeling God's Love, Joy and Happiness. Jesus loves you so much and I'm sure you gave him a big hug! Amen, Amen, Amen. Barbara (Belken) (Burns) Haagenson*

*I was so sorry to hear about Becky's passing. Just last year she gave me some picture of our mother's enjoying their time together during their bridge club parties. This reminded me of how long our families have been friends. Hoping you are finding comfort in all of the fond memories you have of your sister.*
