“ Ann and Mark, I am so sorry to hear of Betty's passing. Although she had been through a lot the last few years with your Dad's passing and then your two brothers', plus her own health problems, she managed to keep her chin up. I never met such a remarkable woman. I am so glad you were able to be there for her, Ann. I know it meant a lot to her as she didn't like being alone. Sending you my love and sympathy.

“ Betty was the classiest lady I ever met. She had a kind word for everyone and always looked like a million bucks. I will miss seeing her around the lakes in her classic convertible with her big smile. Peace with be her family. I can see Dean waiting to greet her in heaven.
