“ I remember canoeing down the Little Sioux River with Bo . He was funny , charming and smart as a whip . Did I mention he was a good swimmer ? Every time I'd tip the canoe over he would check on me first . Of course , we lost everything (including his favorite cap .) However , he never lost his sense of humor or patience with me . There will be an extra star shining brightly in the sky - the way he touched so many of our lives . Duane and Tammi - my thoughts and prayers are with you and the rest of your family . Alli Swenning
