“ Dearest Angie, Gary, Toni, Kendrick, Matt and the family, we are grieving eith you all at Bonnie's passing. The last time we were at her house (before Covid hit) we had a delightful afftetnoon with her and her cats! She was so interested in hearing about our kids and our first grandchild on the way. She was also very curious about our life here in Switzerland. I will never forget her bright shining eyes and her beautiful smile that lit up herwhole face. It's a comfort to know she's no longer in pain. Peace to you all in this sorrowful time. God bless you all. May his love bring you comfort and peace deep in your hearts.

Love and big hugs from Darlene, Christian and family
