“ *Brad was a very special person! We would meet in the grocery store occasionally and we would update each other as to what was going on with our families. Too, I think he loved my dog "Punkin" as much as I did. A belated thank you for serving our country so many years and also all the fine organizations that you were a part of. Rest in peace and know that your were loved by many people.*

“ I have many good memories of growing up across the street from the McQueen's: picking mulberries and rhubarb, riding on the merry-go-round, flashlight tag, etc. etc. I will remember Brad fondly, and my prayers are with his wife and all the extended family and friends. He was taken far too young.

“ *It is with much regret that I find myself writing to Brads family. Brad was in my howitzer section as an A.G. and then a Gunner in A Battery, 1/194th FA in Spencer. He was a reliable soldier and a great friend. When off duty, we could consume more 151 rum than the rest of the Battalion. I am so happy that I saw him when we were back last year and regret that we cannot get back to say good-bye. Much love to Linda and family from Tom and Margie. He is now with the Absolute, Commander. Rest well my Brother.*
