“ *Aunt Coleen touched the lives of everyone that had the good fortune of meeting her. Growing up, I remember making the weekly journey from Jackson to Estherville to visit Coleen, Chris, Melisa, Kristi and Jay. Our family visits were filled with love while we created memories that we will cherish forever. Her beautiful, energizing laugh, her infectious smile and her unique ability to connect with everyone she met are just a few of the things I love about Coleen. Coleen has left an imprint on me that will last forever and I'm so grateful. Prayers to the family.*

“ *We have always thought of Colleen as an angel. She cared for Lucyle when she was at Good Samaritan Care Center and was always cheerful and kind. Chris was fortunate to have her as his wife and their children were blessed. I will always remember her love for her grandchildren from her FB posts. She will be missed by everyone who knew her. Rest in Peace sweetheart*

“ When we would visit our family members (now gone) at Good Sam we were fortunate to see Coleen. She was always joyful and worked so hard to share that joy with others. Her kindness to those she served was always visible. She will be greatly missed. May her memory be a blessing to those who love her.

“ *Coleen was my most favorite aunt. She was always so full of life, and love! During difficult times in my life she always had the most loving and encouraging things to say to me, and she always told me how proud she was of me. She would bake the most scrumptious of desserts and say, "May your troubles melt away!" I will miss you, Aunt Coleen, but I know you and my mom will dance along the light of day together. ❤️❤️*

“ *Coleen was the most amazing and wonderful grandma and mother in law. She always had a smile to light up a room and something quick witted to say and make you laugh. We will all miss her so much and no one could ever fill her shoes.*
