“ *Connie was such a kind and considerate person. We met briefly several years ago, but she continued to make sure she always showed her support and kindness. She attended events I had, open houses and checked in on me to make sure I was okay even as she was battling cancer. Connie was a very special lady and will be greatly missed in this area.*

“ *Connie was such a devoted and sweet volunteer for the Iowa RockNRoll Music Association and really loved the music. She enjoyed mingling with all the people at Rock the Roof and the visitors to the museum. In spite of her health problems she would always smile. We will miss her.*
