“ I am sorry for your loss. Connie was a vibrant, beautiful person. We lived in the Harbor with her and Walt. Many pieces in my house are from her antique shop. She had a great eye for old pine furniture. I always visited her space at the antique mall when she came back from Florida because she always brought back so many unique pieces.

I worked with her mom at NWB in the 70's, so when Connie and I would run into each other we would always share memories. So sad she had to suffer in the end. She will be smiling down on us.*
