November 6, 2007

Cynthia Kaye Branum the daughter of Robert and Alma Behl was born April 3, 1959 in Springfield, Illinois. Cindy grew up in Beardtown, Illinois and graduated from Beardtown High School in 1978. She has 3 grown children from her first marriage. They are Brian Spears, Amy Flohr and Angela Spears. Cindy has spent the last 15 years happily married to Matt Branum. Together they have a 10 year old daughter named Morgan. Cindy devoted her life to caring for children. Children had an immediate connection and security with her. Besides being the best Mommy to her own children, she cared for handicap children at BOCES for 15 years before opening her own daycare. Cindy lost her year long fight against Luekemia at 9:30 a.m. on November 7, 2007. She never complained and was so brave throughout her journey. People around her learned so much from her strength and courage. Those left to cherish her memories are her husband, Matt Branum
