He lived his youth north of Hartley where his parents farmed and graduated from Hartley High School in 1963. David spent most of his adult life as a rural ag banker. He continued his true passion which was farming, working the land with his John Deere tractors and equipment. Over the years he collected numerous John Deere tractors, equipment, toys, belt buckles, or anything else that had to do with John Deere!

On Valentines Day in 2000, he was united in marriage to his best friend, Denise, at First Lutheran Church where he was an active member. He was also very active in the Northwest Iowa Two-Cylinder Club. He served many years as Secretary and was on the Board of Directors. This club has been a second family to David and Denise.

David loved the outdoors and enjoyed his hobbies of hunting, fishing, snowmobiling, gardening, planting trees and going on tractor rides.
