“ Our thoughts and prayers go to Dave's family. Dave and I worked together at Sheldon Middle School in the late 1990's. He was there early in the morning and after others had left for the day. He was truly dedicated to the students he taught. Our girls got to know him when Jean provided child care to them when they were younger. He was a gentle giant to them and to other kids whom Jean cared for. He will be missed greatly.
