“ David was my little buddy since the day he was born

My condolences to his two kids and his grandkids and to his brother Tommy and sister Tina

His two cousins Jennifer and Patti ;and Jordan, Morgan and Joshua
He was the kindness man, always loved and was a big hugger
He loved his motorcycles since he was three years old, and he loved his music

There's so many things I could say about him but it would take days to name them

Everyone who knew him, loved him

I love you David, and you will be always in my heart

“ minutes ago
I'm going to miss you little brother. I couldn't have had a better brother, and a best friend. I so grateful for the time I got to spend with you. And all the fun we had growing up. I will see you again someday, and we'll start where we left off. I'll bring a Pizza with me. I love you very much, until then.
