Dave, your ripples crossed oceans.
I only knew you from playing an online game, but your warmth, kindness and humour shone through as easily as if you were in the room.
You'll be missed.
And I really wish I'd known you had the nickname Doodle!

“ *Although I haven't seen Dave in recent years, I will always cherish our friendship and the memories we made in our younger years. So many cherished memories of working with Doodle at Woody's Pizza, karaoke (he had the best song choices), dancing at the local Okoboji bars, car rides with him on the "Lake Route," and SO much laughter. I'm so sorry to all of his family and close friends. Doodle was one of a kind and will never be forgotten. Rest easy, Doodle.*

“ *The memories are flooding back. Doodle had the best smile and the greatest laugh. We would all have the best times with each other just out and about but the best times spent at The Beagle. Doodle you were one of a kind and I am so sorry you felt you needed to leave this way. I wish you knew how much you were loved and by so many. Thanks for the wonderful memories my friend.*

“ *I have so many great memories of Dave. Things that I'll remember for my whole life. I think what I'll remember the most is his laugh. It was so infectious you couldn't help but laugh with him! We both had a similarly warped sense of humor and were always trying to top each other with something off the wall. Dave I'm gonna miss ya buddy and I'm sorry that we sprayed coon pee in your car outside of the Beagle that one night. ;-)*
