“ Dan, Cheryl, and Todd— Our Earthly lives are forever changed when our parents step to heaven. It tugs at our hearts in ways that cannot be explained. While we selfishly want them here with us, we joyously celebrate the heavenly reunion they experience with each other, but especially with Our Father. Our sympathies to you as your dad was one of the great community-minded people who impacted many lives, but most importantly was a loving force in your family!

“ Dear Dan & Jane, and the Hummel family. I'm sorry for the loss of your Dad. What a smile he had and shared so freely. The last time I saw your Dad (and your lovely Mom) was New Year's Eve 2000. Genie and Bob Reed threw an amazing celebration to welcome the new century. It was a memorable night for many reasons, but Addison and I shared a sweet conversation with your folks. I hope the many amazing memories you have of Dean will provide comfort in the days ahead. He certainly made a lasting impression on so many people. ❤️👍

“ So sorry to hear of Dean's passing. May you precious memories help you through the rough times. I will always thank God for Dean's kind heart. When our girls were in the youth group at Immanuel there was going to be a youth gathering in Des Moines that they wanted to attend. At the meeting I said I would drive them if they could find a van they could all fit in. About that time Dean walked past the door. Someone mentioned that Dean had one, maybe he would let us use it. Someone ran out to catch him and sure enough, he said we could take it to Des Moines!! When I picked it up it had less than 1,500 miles on it (we didn't realize he had gotten a new one) and he didn't know I had never been to Des Moines. We'll, the kids had a great time and we made it safe and sound. A wonderful memory of a wonderful man! God bless and comfort you all.

“ Dan, Cheryl and Todd and families~ I was so saddened to hear about Dean's passing. He was a special man~one of a kind, and he and Elayne were wonderful neighbors to Jim and I when we moved to the farm across from you after we were married. Please know that your family will always hold a special place in our hearts. I pray that God will bless you with precious memories and that He will give you comfort in knowing that your dad (and grandfather) is safe in the arms of Jesus, and with Elayne and many family and friends who have gone on before. You will be in my prayers in the tough days ahead.
