“ Dear Rodawig Family,
We have so many memories of "Dr. Don" who was our family doctor for so many many years. One of the most precious is when he came to our house and quietly sat with us during our mom's final hours of life. He was so respectful of mom's wishes to be at home instead of in the hospital and it was such a comfort to have him there. We were so lucky to have him in our circle. Please know that our family mourns the loss in yours.
