“ To the Hansen/Bierstedt families -- I am so sorry to hear about Donna. My sympathy and prayers are with all of you at this time. Even though I have not had a lot of contact with all of you in the last several years, I always have fond memories of all of you. We have been a part of each other's lives since I was ten years old. It is very special to have friends who have been a part of our lives for so many years.

Again, I am sorry to hear about Donna. May your memories of her bring you comfort.
