“ *Dot was my friend. She was wise, giving, loving, funny, hard-working, spiritual, strong, caring, sentimental, sweet, beautiful, and unique. She talked about her family every time we were together and she loved them dearly. I am so sorry for your loss. May God wrap his loving arms around you and give you comfort and peace now. Dorothy would have wanted that.*

“ Dorothy loved to give my dad a hard time (and many others I'm sure) when she was a waitress at The Grille, but always in a loving way;)

I had the pleasure of doing Dorothy's hair for many years and looked forward to our visits because she always wanted to know about Mike and I's journey trying to start a family and when we were finally blessed with Brooks, she couldn't wait to see pictures and hear the latest of milestones. She always told me that God sent us the perfect child despite our heartbreaking journey, and she was so right!

I will miss your sassy attitude, your hugs, and your thoughtfulness. You have left a mark on my heart and you will not be forgotten. I will see you again my friend....
