The families up north have just now March 7 hearing about Dorothy's passing. We are so sad that we missed the opportunity to meet with family again and say good by to such a strong, dedicated, dependable, rock of the Kliner family. We have missed Aunt Dorothy and Aunt Lillian's visits. Aunt Dorothy you leave a large presence in our lives.

“ *Dorothy was as fine an anesthitist as I have ever been with in the OR. We did over 6000 cases together and many people in the area owe their lives to her skill. In addition to that she was one hell of a loving human being who cared about others. I am saddened by her passing.*
