“ My heart breaks for you Andrea. I'm so sorry for your loss. My first memories of your mom was when she brought you and Larry down to Brooks for lunch. I always admired her, a beautiful lady with a personality to match and dignity. She was so happy to still have her driver's license and able to go play bridge. God's love is surrounding you in this most difficult time.

“ I will forever remember Elayne for her daily wear of makeup, pedis and manis. Her favorite perfume Beautiful of which I'm now hooked on the scent. Mostly it was her courage and strength to battle cancer all the while never missing a day without her lipstick. Thank you Elayne for deep conversations and an ear for conversation. ❤️
