“ I remember all the good times we use to have playing spades, even though we knew the guys weren't playing fair...lol.
He left us quietly, his thoughts unknown. But he left us a memory we are proud to own.
So treasure him, Lord, in your Garden of rest. For when on earth, Geary Wall was one of the best.

“ Oh big brother, how I miss you. You loved to tease me about everything under the sun and more but that's what brothers do. I wish I could kiss that bald head one more time Mr. Clean.... I'm sure Heaven is having a great big fish fry right about now. Give Daddy and my boys big ol' hugs for me and tell them I love them. I will see you again. Rest in peace. Love your baby sister, Smart pants.

“ I will never forget Geary and when we met and how he told me that I had to meet his wife. He brought her in to meet me and that was it.....friends for life/longer. His love of family and friends was another thing I won't forget. I love him dearly and it was so sad to have to say goodbye.

“ Joyce, and family,
When I first met Geary back in 76. I didn't like him because he had taken and fallen in love with my very best friend (Joyce) and was taking her away from me. But I now realize that it was for the best. For he made a wonderful life for him and his wife and with his family. Sometimes we don't understand why GOD take things away from us, but it is always to make us a better person and give us more opportunities in life. Even though it's hard to hold your head up and follow GOD. Our prayers are with you and your family. May God Bless...Love as always Sandy Chapman Hogg. P.S. If you need someone to talk to give me a call.
