Gerald retired in 1995 and he and Grace built their retirement home near one of his favorite golf courses, Emerald Hills, in Arnolds Park. Later in ill health, he was admitted to St. Luke Lutheran Home at Spencer, IA.

“ Grace and family-

So sorry for your loss

It would be hard to overstate the positive impact that Mr. Cummins had on the students and faculty of Sanborn Community School, and on me personally. He was a great friend and mentor to my father, Harry Ellett, and a respected leader and role model to us all.

“ Grace and family-

Sorry for your loss. Mr. Cummins was always a joy to visit. Many memories from finding the gingerbread man hiding in his office from when I was in Kindergarten to receiving my first set of Jr. golf clubs from him! Dad (Rich Vanden Hoek) had great respect for him and I know they had many years together teaching and also many stories from SD! Thoughts and prayers with you all!

“ *It was with a heavy heart that I read of Mr. Cummins passing. He gave me my first job in the classroom in Delmont. His guidance and compassion toward all his staff was immeasurable. The pressure of being a first year teacher and having the superintendent's oldest child in my first grade class was mitigated by his kind encouragement. Praying for God's comfort to the family. May your faith be stronger than your sorrow.*

“ *Gerald and Grace lived next to my family in Delmont. Mr. Cummins taught both my husband and I and we have fond memories of his teaching skills. He left a mark on us for sure. I remember him as Mr. Cummins because that is how we were taught to respect our teachers. We were the family that had cows, chickens, ducks, geese etc. Greg and Skip would show up often when it was time to do chores to keep us company and ask many, many questions. A great family. Rest In Peace and our sympathy to all.*

“ *Mr. Cummins was my high school superintendent in Delmont. His gentle demeanor made him the exceptional administrator that he was! I was in his math class and not once do I remember him being anything but encouraging to his students. His rubber ball that he carried in his suit-jacket pocket came in handy when he needed to relieve some stress. Mr. C, Rest In Peace!
Peace and comfort to his family!

“ It's funny I was just talking about Mr. C the other day with a former teacher at the middle school in Sanborn. He was my principal during junior high right before he retired in 1995. He was such a sweet man, a wonderful principal, and will be remembered for his kindness. Your family will be in my thoughts and prayers in the difficult days ahead. RIP Mr. Cummins.....okey! 😊

“ Mr. Cummins gave me my first teaching job in 1972, and I had three very good years with wonderful children in my classroom and an all-around positive experience with him as Superintendent. I left when enrollment no longer required a combined 3/4 grade. He encouraged me to stay and he'd find a way to work me into the elementary faculty, and I often wonder what would have happened if I'd stayed! He was a great guy amped I learned a lot from him and by his example!

“ *Mr. Cummins was so kind and a sensitive role model. As Superintendent, he approached me in the lunch line and complimented me on losing a fair amount of weight, in order to be a cheerleader. It was a big deal to be complimented in front of my peers, by someone so highly regarded. He understood the angst of youth and was the ultimate professional. I'll always remember his genuine nature.*

Mr. Cummins was the high school superintendent in Delmont when several of my siblings and I were fortunate enough to be part of his WIDCAT gang! I was a student in a math class that he taught, and even as a teen, his great patience, kindness, and consideration for all of us was felt and was sincere. That's just was who he was! The house that he and his family resided in while in Delmont was the "superintendent' s house", and that home still stands...great memories! My sympathy to Mr. C' s family!

We are so very thankful for the role Mr C played in our children's lives. He made us feel so welcome when we moved to Sanborn. He made our children and each student and staff member feel important as he called everyone by name and cared deeply about them personally. He led by example and had a true servant heart. He inspired everyone not only to be lifelong learners, but to be better people. May God be with you and your family, Grace, as you mourn his death and celebrate his eternal life. Ken and Linda Funke
