“ Sorry to hear of Ingolf's passing. I worked for him at the Federal Land Bank Office in Buffalo for several years. He was a good teacher and a great inspiration. I recall well his retirement, as I was the MC for his Association's Retirement Party. So fast the years went. Hope Sara Mae is doing well. Linda and I were married in Buffalo and now have our own Real Estate Company (www.LakePepin-RealEstate.com) in Pepin, WI . . . her childhood home and where I taught high school before joining the Land Bank.
