“ Unfortunately I only met briefly a few times with that sweet grandma, but I know she had to be a great lady as she raised two amazing daughters.
My family is joining me to offer our deepest condolences and to let you know that you are in our thoughts and prayers.

“ Irene was always a wonderful hostess, whether visiting the family @ the lake place, or @ her Assisted living home right before her 100th!
We have such fond memories that we'll cherish for all time. May she rest in piece with John.

“ I still have the crochet bell she made as favors for a bank Christmas party many years ago. She and John were very special people and I am so glad I got to know them. Sending prayers and affection to their family.

“ Irene and John Williamson were wonderful "summer neighbors" to our extended family (Bob Wilcox family), living next door on Spirit Lake for many years. The word "spunky" does not begin to describe this terrific lady. Our sincere condolences to the Williamsons' lovely daughters and their families. Julie and Dan Kaercher, Urbandale IA

“ I loved to visit with Irene when I would stop in at Hilltop. I didn't get out to see her as much as I use to after my mother passed on, yet when I did, she always put a smile on my face. What a wonderful person to have gotten to know and love. My prayers are with Irene's family.
