“ So sorry to hear about this great loss for you and your family Dennis. Loved her very much. We had a lot of good memories growing up at Hartley Community School. I am so blessed to be able to call her my friend. Remember staying over night with her and all those beds lined up. She had a very loving family. Wish we could have gotten together more. But glad for the time we had. God's comfort and love.

“ So very sorry to hear of Jackie's passing. She was one year behind me in high school, and I knew her well. Before Covid I would run into her out and about oftentimes. She was a totally enjoyable person to talk to and will miss running into her somewhere. My deepest sympathy to all of her family. I will keep you all close in prayer during these difficult times.

“ *Jackie was more than just a friend to me she was like my second mom. She was always there for me when I needed an ear to bend or just some inspiration. there were so many days we would just sit and talk about whatever came to our minds. She was one that told most of the cool stories. She will truly be missed. Hugs to you all and know she is still with you and will always be with you in your heart. Love you all!!!!*

“ Our condolences to the family of Jackie. Our friendship came together through meeting and enjoying the good ole Rock n' Roll music. We volunteered helping Jackie and Doris for 3 years on Sunday afternoons at the old museum. Our friendships became so special. We attended several Winter Dance weekends at the Surf and Jackie and Dennis were always there. We continued to share our love for this music eventually volunteering for Tom Golden that continued at Boji Bay. Our memories of having Jackie as a friend will be forever cherished. Rest in Peace dear friend. 🎵💕🕊️🙏

“ *Jackie and I grew up in Hartley. She came from a wonderful family of hard-working, decent people. Imagine my surprise when I found her at the Rock 'n Roll Museum when I began volunteering there. And then I found her again at Boji Bay. Her smiles and her hugs were the best. I will miss this fine friend. My sympathies to the Boetel family and to Dennis.*
