“ *Oh, Jack, Sara and Jill. I am so sorry for your loss. This is a sad day indeed. Jean was a beautiful person and one of my favorite volunteers at the Art Center. She was really fun to work with on the many different events. She always had great food ideas for the art openings and I know we shared a table several times at some of the wine dinners. I was lucky to have breakfast with her a couple of years ago to catch up. She will be greatly missed. I am so fortunate that I had the chance to know Jean. With great sadness, Susan J.
