“ So sorry to hear of Jennafer"s passing I have just found out. I worked on Medical Records at the hospital when Jennafer worked in the kitchen working her magic with food and knowledge necessary to work in a hospital setting. I had just seen her and Pete a few months back and now feel blessed to have gotten to chat with them both. My deepest condolences to Jennafer"s family. She was a very nice and fun-loving friend. I know she will be missed terribly.

“ Lukie,
*I am so sorry for your loss. I remember so many wonderful things about your Mom, the best is that she treated me like one of her own. I endured the chores and lectures right along with you. Loving the fact that a "Mom" thought I was worth the time and effort. She will be greatly missed by all the lives she touched. We are better for having known her. I thank you again for sharing her with me for many years growing up. It meant the world to me.
May you, Chad, Tharon and families find peace and comfort in all your wonderful memories. Jenny was a blessing to all she met and is now at peace with Pete.*

Lovingly,

Debbie
