“ *I remember when Jerry was little and had his brace. It did not slow him down a bit. He didn't just walk he kind of jumped walked and he rode his bike with one pedal going as fast as he could go. It wasn't easy for him in the wintertime, his leg would get so cold and Grandma Linda would massage it and put warm flannel cloths on it to warm it. He was a rascal but a very lovable kid. I will always have love in my heart for Jerry.*
