“ *I met Jesse many years ago when we both worked at Stylecraft in Milford. We always picked on each other and had lots of laughs together. Although that place closed and life took us separate ways, whenever we crossed paths with each other we would stop n visit briefly. I will miss seeing him around.....and I am so very sorry for the pain caused by his passing. By his photo, he must have been ill, I hope you are comforted that he is not suffering any longer. I pray for you all.*

“ *We were saddened to hear about Jesse. I worked with him for many years at Style Craft. Jessie had a big heart and always willing to help out. He even gave most of his garden produce away. He set it out on the curb for anyone to take. May he rest in peace, and God bless his family.*

“ So sorry to hear of Jesse's passing, he was a great friend to both Mike and I, kind of our "go to" guy, always there when we needed, or just fun hanging at shop visiting. He was always tinkering, and had something new and exciting to share with us. Mike and Kari Mazur
