“ We have made wonderful memories with Jesse and your family. From the time we met in the "young couples" class at RUMC, we became friends. From hayrides to collapsing chairs, the laughter and love we shared will always be in our hearts. We were remembering how Jesse came over with his tractor and pulled out our old landscaping... what a wonderful neighbor!! Tom and Jesse always had a good time working together, even though they didn't seem to be able to keep an eye on the little ones in the process. One of your boys (can't remember which one) ate a bit of caulking while they were working in the kitchen... twice! It must have looked like icing to him! Jesse took it all in stride. He was a great father, son, husband and friend. He will be missed.

With love and sympathy,

Tom and Jan Edgerton

“ *Janice and the entire Wolfe family -- we are so saddened by the sudden passing of Jesse. We are grieving with you, and we are praying for God's blessing and comfort for all of you. We count it a joy and a blessing to have known Jesse. He was a warm, welcoming person, and even though geographical distance limited our opportunities to visit in person, he always made us feel right at home. Jesse had a great sense of humor -- he never ceased to make us smile whenever we were with him. His love for family ran deep, and we were honored to have been included in the extended family circle when our son Jonathan married Jesse and Janice's daughter, Jean. Jesse was a wonderful father, congenial family member, and friend -- we will miss him very much.*

Jesse will be sorely missed!! He was a genuinely decent man and a good friend. He always kept me in the loop for upcoming GOP meetings and fundraisers. Jesse was a good friend and ally. May his family find peace by leaning on the Lord during these difficult days ahead.

“ *Janice and family,
I was totally shocked hearing of Jesse's passing. I just visited with him a week or so ago in Walmart. He was his cheerful, friendly self. My heart breaks for all of you. There are no words to comfort you at this time, however, I will be sending my thoughts, prayers and hugs your way. May God grant you strength during this time and in the days ahead. He will be missed!!*

“ *Our deepest sympathy to Jesse's family. Like all of us we were stunned and saddened to hear of Jesse's passing. He's been such a friend and supporter to all, especially those of us in the political world of Dickinson County. His enthusiasm, his optimism, encouragement and leadership all comes to mind, as well as that great smile of his lighting up the room with a hearty greeting. He was our friend and he will be dearly missed. God bless you all through this difficult time.
