

Joan Williams

July 24, 1921 - August 28, 2016

Memorial services for 95 year old Joan “Jo” Williams of West Okoboji will be 10:00 AM on Monday September 5th at Calvary United Methodist Church in Arnolds Park. Burial will be in Waterman Cemetery in Sutherland at a later date. Visitation will be 4:00 – 6:00 PM on Sunday at the Schuchert-Lentz Funeral Home in Spirit Lake.

Joan Williams was born on July 24, 1921 to John Dyke and Margaret Ethel Bark in Barrington, Illinois. The family moved to Sioux City, Iowa where Joan attended the Kate Hubbard Nursery School. She received her primary and elementary education at Hunt School in Sioux City.

The family next moved back to her parents’ hometown of Sutherland in O’Brien County where she attended junior high and high school, graduating in 1939. Joan went to Iowa State Teacher’s College where she received a B.A. degree in Health and Physical Education.

She started her teaching career in 1943 at Alta Consolidated School where she taught Physical Education for 9 years. The next 31 years were spent teaching Health and Physical Education in the Spirit Lake Community Schools. She started the elementary and primary physical education programs at Spirit Lake.

She loved all ages of children dearly but her favorite group was the teenagers.

She knew each and every student in the whole school by first and last name and could tell you something about all of them. She had many humorous stories about dealing with her “kids”.

After 25 years of retirement Jo received a most coveted honor. She was inducted into the Spirit Lake Hall of Achievement for Exceptional Educators. “To teach is to touch a life forever” and “what we do for ourselves dies with us. What we do for others and the world, remains and is immortal”.

Jo had a passion for traveling. There are not many places in the world she hadn't been. Her favorite countries were Australia and Ireland. Of all the exotic places – climbing Ayers Rock, staying in a jungle camp on the Amazon River, climbing Macchu Picchu ruins in Peru, riding the train through Siberia to Lake Baikal, living in yurts in the Gobi Desert, staying in a castle in Wales, standing in awe of Stonehenge in England – her most thrilling tour was sailing to England on the Q.E. II, sightseeing and attending shows in the London area, taking the chunnel train under the English Channel to France, spending three days in Paris, eating dinner at the top of the Eiffel Tower, cruising the Seine in the moonlight, attending the show at the oldest cabaret in Paris – the most exciting thing was flying the Concorde to New York's JFK in 2 hours and 56 minutes. She even talked the head steward into taking her up into the cockpit!

Jo had a wonderful life. She had been a member of P.E.W., Calvary United Methodist Church, University of Okoboji Foundation, Friends of Lakeside Lab, OPA, Humane Society of NW Iowa, Sun City Hikers, CAASA, a charter member of the Chi Chapter of the International Delta Kappa Gamma Society the Coral Chapter Order of the Eastern Star in Sanborn. She had the best of both worlds in her retirement years, living in Arizona in the winter months and spending the rest of the year at her beloved Okoboji.

Joan was preceded in death by her parents and a sister, Barbara Bark

Williams.

In lieu of flowers, memorials may be directed to Calvary United Methodist Church or the Spirit Lake School Foundation.

“ I was lucky enough to have Ms Williams for one year of PE at Spirit Lake, Iowa. My dad was one of her students in Alta, Iowa!!! She was the happiest and most energetic adults I had ever known.

Rest in Peace.

Becky Castle Mealey - September 04, 2016 at 06:59 PM

“ It takes a village to raise children and we were all so lucky to have Ms. Williams in our village. Beyond the fun of square dancing, bowling, intramural volleyball, and cheerleading, she instilled in me a lifelong attitude of can do! I was visiting and ran into Ms. Williams buying sweet corn at the Methodist Church parking lot, she took one look and said there is a Hughes Kid, remarkable after 40 plus years. Rest in Peace Ms. Williams, your impact lives on!

“ I'm one of her "older" students-loved her as a teacher, and cried when she left Alta to go North. She was one of the first to let us play 5 on 5 basketball even when it was a gym class. Also did square dancing, and of course, all of the other sports that girls now do competitively that we could only do in gym class. She not only taught sports, but other things that young girls needed to know about hygiene-even shaving your legs & under your arms!!! They don't make them like her anymore. Loved her.

“ I was very fortunate to have known Jo Williams as a co-worker in teaching and as a teacher to my children. Whenever we met she always wanted to know the latest about my children, whom she considered her children along with hundreds of other former students.

One thing some people might not know about Jo is that 30 years ago in 1986 she was the first person to donate a “named scholarship”, the Jo Williams Scholarship, in the newly created Spirit Lake Community School Foundation. Each spring since then two graduating seniors, both a boy and a girl, have received a college scholarship due to her generosity.

“ Jo would round the corner and walk away from the Lake to join the Gnam's Crane's and whoever else happens to be at the Red Cottage that week. Jo's infectious and loving laugh would let all know the party was "on." She shared a similar trait to a mentor from Carroll, IA. Bill Evans in the teach and coaching of young people. Not only in school, but a lifetime coach. Thank you Jo Williams for being an integral part of all those you touched over the decades. Will always cherish a pic you gave us in 1987 of the IA Great Lakes, a most thoughtful and remembrance of you.

“ *Ms. Williams was a true educator. Everything she did, every day, was to better her students and her goal was that we would keep moving! Her encouragement was the same whether we were kindergartners or seniors in high school. As a physical education major in college, I had already learned many of the activities we were being taught because in high school because Ms. Williams provided us with such a diverse program. There were trips to Hinshaw Heights to learn to golf, the bowling alley, archery on the fields north of the high school and, square dance with the boys PE classes! We have been fortunate to spend a fair amount of time with Jo in the last several years, some of that at the "Y", where she continued to live the active lifestyle through classes and, more recently, during her stay at Hilltop. Even with her loss of sight, she learned John's voice and gave him a hard time too! She was always proud to say that when she was fresh out of college, she taught my Mom, and that she later had all three of us girls in PE. Every teacher impacts a lot of lives and you rank right up there with those who have created multiple ripples, beyond those students who were fortunate to have you as a teacher. Thank you Ms. Williams, you made a difference. Get those exercise classes going in Heaven and make sure the women have shorts long enough to cover their gluteus maximus!*

Deb Knudson - August 28, 2016 at 10:42 PM

“ A Teacher that influenced MANY people's lives in and out of the school building. (Spirit Lake) Every time I hear the Irish Jig... I will remember, Miss Williams.
I also remember when I returned to SL to teach at the Elementary and Middle School and I decided to get my administration degree.... she really questioned me, "Do you really want to do that Annie, and become one of 'them'?!" LOL
She was the first "Energizer Bunny"! Always on the go!
Even though athletics was not my thing..... she still encouraged you to do your best! God bless you, Miss Williams! We will miss seeing you on this side of heaven.
