“ To the family & loved ones of Juniper, you don't know me and I don't know you but we have something in common, we've lost a child. I saw your sweet girls photo as I was visiting the site for another obituary and had to leave my condolences. I am so very sorry for the loss of your little one, she is beautiful. My mamma heart breaks for your family, know that you are in my prayers. I have asked myself so many times why God gives us these precious ones but then asks for them back way too soon. Cling tight to those who love and care for you and may God wrap you in his loving arms now and in all the days to come.
