“ *I remember Mrs Graff when she blessed our school after accepting the PE and other teaching duties at MHS. 25 or 30 years later she took the time to come to our class reunion at the Brooks Golf course. She shared with many of the attendees, fellow teachers (Mr Primevera, Mr Yore and Mr Morris) the experiences that comes with young teachers and younger students. Both leave footprints on each other. You were a part of our lives that we will always remember. As Thomas Campbell said long ago, "To live in hearts we leave behind is not to die". You will be missed.*
