“ Karla- You promised you'd wait until your 100th Birthday before you went 'Home!' God called you earlier- He must have big plans for you, my dear friend. Karla, during your (too) short time on this crazy earth, you were forever Helping others. You were so selfless and caring to my mom, and many others, while you were at Keelson. She called you her 'other daughter'.. To me, you were, and will forever be!- a dear friend and 'sister'. You are in our hearts always, Karla. Thank you for all of the kindness and love you gave to my mother, and so many others who 'remembered' what love was like when you were around. You have made a Huge difference in the lives of so many, Karla, mine included. This quote came to me this morning: " Work everyday the way you want to be remembered. " You did, and you always will be, Karla. We Love you dearly my friend.
