We've only known Keith since 1991 when we bought a cabin on EOB. We soon learned how generous he was with his time & help, whenever we needed it to pull in our dock, or anything we needed a hand with. A delightful, friendly fellow, we're thankful we got to know him and will treasure the memories we have of him. Rest in peace, Keith. We'll see you when it's our turn!

Maui and I will miss our talks with Keith on our golf cart rides through the neighborhood. Keith was so kind and always willing to share news of the neighborhood. His smile was always present. My thoughts go out to Sandy and the family. Another star will be shining brightly tonight.
