“*Kenn was my next door neighbor in Sheldon. We both bought our homes about the same time. During the past 17 years we became friends and we considered we were just a big extended family. We shared many holidays together and shared many meals, Kenny would be grilling food up and with a big smile he would say Come on over and eat there is plenty. I am going to miss him and he will always be in our hearts. Knowing that he is in peace and will bare no more pain gives me great comfort. R.I.P Kenny until we meet again*
