“ Always enjoyed working with Mac; he had a positive, get it done attitude. After the job was done, there was always time for a laugh afterwards. My thoughts and prayers are with his family at this difficult time.

“ Mac was a true friend and would give the shirt off his back. We met Mac through Jaycee's back in the early 80's. Mac took any normal day and turned it into a party. He was known to say "one drinks, we all drink". Talk about living your life to the fullest, he did. If you were sad he'd lift you up. He will always be Dean's "brother from another mother". And you'll always be in our hearts. Rest in peace dear friend, rest in peace!

“ *Mac was the best great uncle a girl could ask for. No matter the circumstances if you needed something he would find a way to give it to you and make you happy. From going out to eat with him and going for a boat ride he was constantly making others smile and laugh. The thing I will miss most about him is the kisses on the cheek he would give me every time I saw him. Okoboji will always have a special place in my heart because of the memories I shared with him there. Gone but never forgotten. Love you forever Uncle Mac*

“ Mac was a dear and sweet gentleman. His patience was short at times, but his heart was so big and so caring and giving. I will miss him. Part of my heart goes with him and a part of his heart will remain with me. At night I will look at the sky, for there is a saying that goes-- "Perhaps they are not stars in the sky, but rather openings where our loved ones shine down to let us know they are happy!" God bless and keep you until I see you again. Forever and a day!
