Dorothy, I'm so sorry to hear about Larry. So many memories of him over the years don't even know where to start. Bruce always enjoyed visiting with Larry & picking each others thoughts on how best to repair things. I know he introduced you & Larry so many years ago when you were remodeling your house in Milford. Larry knew Jacob from the day he was born and he thought of him as another grandpa. So many times Larry stopped by to show us his fish he caught for the day or tell a story of a fishing trip him and Quentin made. I know he enjoyed showing his carpentry skills to you too with all the pieces of furniture he built, especially your quilting table. Larry did so much for the city of Superior through the years - he was a true asset for sure. Heaven gained a very special person. I'm sure he has a fishing line cast somewhere. My sympathy and prayers to you.
