“ I have heard many stories of Chet and Doris, Chet and my husband shared a birthday and I as I understand it they celebrated the day together at times. Tim was saddened to hear of Chet's passing, "an end of an era" for him. Please accept our condolences and know that many great stories will continue to be shared at our house!!!

“ I was sorry to hear of Chet's passing. I always remember the times as kids when we walked beans and our pay was a penny a row. HAHA I think it was a deal my parents made to keep us kids out of trouble when they were at work. Lots of good memories. Denise and Lonnie Loring

“ *Chester was one of a kind for sure. I'm going to miss him coming into the shop for "ladies aide" as he called it. I loved hearing the stories of the old days on the farm. He taught me a lot of things I didn't know about gardening and how to can the veggies. RIP Chester and behave up there, no getting yourself into trouble.*
