

Leland "Lee" Gail Currier

August 25, 1934 - December 30, 2020

Leland "Lee" Currier passed away on Wednesday, December 30, 2020 at Lakes Regional Healthcare in Spirit Lake.

Leland Gail Currier was born to Gilbert Arnold and Lois Auline (Ducharme) Currier in Bellingham, WA on August 25, 1934. He graduated from Spirit Lake High School in 1952 and enlisted in the US Navy. He served his country for 4 years during the Korean War aboard the USS Oriskany. After an honorable discharge, he returned home and attended barber school in Sioux City. Lee owned and operated Lee's Barber Shop in downtown Spirit Lake for 61 years, where he not only cut hair but was able to share tid bits of Lakes area history, local folklore and happenings about the town. In 1961, Lee met the love of his life, Beatrice "Bea" Ann Wills. They wed in Minneapolis on July 28, 1962. To this union Ty and twins Troy and Tara were born.

Lee was a member of Ducks Unlimited and the National Ski Patrolman Association. When time allowed, he enjoyed the great outdoors, sailing and boating on Big Spirit, hunting, fishing, and snow skiing. He also found great enjoyment in his golden retrievers, creating wood carved decoys, and cheering on the Iowa Hawkeyes and the Minnesota Vikings. In his younger days, he was a man of great adventure, flying his Piper Cub over his most loved places, photographing and filming the landscape with his Bell and Howell 8mm movie camera. A highlight of his life was making the trip to

Washington, D.C., escorted by his grandson, on the Midwest Honor Flight in May of 2019.

He is survived by his wife Bea Currier of Spirit Lake, IA; children Ty (Karen) Currier of Spirit Lake, IA; Dr. Troy (Linda) Currier of Dennison, IA; and Tara (Gene) Hofer of Bridgewater, SD; grandchildren Nickolas, Carson, Tanner Hofer, and Jenna Currier; brother Robert (Sylvia) Currier of FL; and sister Mardi Currier of Spencer, IA; brother-in-law Harold (Marlene) Wills; Sister-in-law Barb Wills. He was preceded in death by his parents and brother-in-law Larry Wills.

Per Lee's wishes, there will be no services held. Memorials can be directed to support a veteran on a Midwest Honor Flight.

“ My visits to Lee's were always humorous and a bit mystical. He had cut my great grandfather's hair (WR Rumbaugh), my grandfather's hair (Wayne Rumbaugh), was a classmate of my uncles (Wayne and James Rumbaugh) and cut my brother's hair, my husband's hair AND my son's hair. I spent plenty of time in the shop. And Lee LOVED to entertain me with stories (I'm sure he enjoyed entertaining all of us) and even starting good stories (he knew how we would pass them!) I still have the photo of my son's first haircut with Lee. :) My husband and I live in the Twin Cities - but Sean would always come by to see Lee and get a cut! We all LOVED to talk about sailing - as we were scow and ice sailors too. (And he had even built boats with my uncles). My husband, Sean, is also a long time DU member -- so ducks and hunting were also a hot topic. I wish right now I could remember the story he told once when this guy from Terril was in his chair while we waited. I can't recall what the story was, but I do recall that Lee was kind of waiting for me to have an extreme reaction to their discussion - he was waiting for me to choke or clear my throat or start laughing. Thank you to his family for sharing him with all of us. Peace and healing energy from the Wagners in White Bear Lake MN.

Lee cut my hair as a youngster (1950's). I can still visualize his shop next to the Royal theater.

“ *Although I worked for Lee's competitor at Mckinney's barbershop shining shoes,sweeping and cleaning and selling Berkley's earliest fishing lures Lee was the first and last barber(after moving back to Spirit Lake),until my wife, marcia took over the duties,as a trained stylist; to cut my hair. Loved visiting with Lee about my oldest brother, dick, who also served Korea at the same time and also share thoughts about our beloved lakes area history of which Lee is now a memorable party the story. My condolences and prayers for the family*

We love all of the Curriers. Lee's Mom, had the music store in Spirit Lake where I first taught guitar lessons - the birth of Bedell Guitars. Lee taught me to ski and was my scout leader. Tara help us raise our kids, joined in our family vacations and is like a daughter/sister in our family. The Currier legacy is Big for Sami, Berkley, Ren, Jesse and me...Always and Forever. "Lee may your dry sense of humor entertain souls in heaven as you cut their hair and share your stories." Tom Bedell

“ Lee started cutting what hair I had left when he charged \$8.... Just before he retired my recall is it was \$17. I asked him when he started what he charged..\$1.00...or so, he said. I asked how he could justify such a large increase over the years. His reply, "landlord" keeps upping the rent, plus better now than when I started. I always looked forward to having Lee cut my hair. Made sure to pay him with a Benny. Never said a thing, just pulled out the drawer, easily having cash back handing it to me (he'd never take a tip). As I walked out the door I'd admonish him to report all cash receipts to the IRS. My bet is he did. Only Beatie knows for sure and Julie and I offer her our sincere condolences.
