“ Jennifer and family, I am so very sorry for your loss. I am not sure if you remember me, but I was a worker at Keelson Harbor for quite some time. Leota and I always got to poke good fun at each other because she was quite the hawks fan and I am quite the cyclone fan. She never forgot to tell me "thank you" or let me know how thankful she was for me. I had to leave Keelson to go to nursing school at South Dakota State and we shared some tears at my leaving. My heart is so sad as I read about her passing. I send all of my love, thoughts, and prayers your way for Leota was a great woman. I will hold the memories I share with her in my heart always.

All of my love,

Morgan Walz

“ *My sympathy to you. My mom, Delores, lived at Keelson Harbour until her passing in May 2013. Leota was such a fun and caring lady. My favorite memory of her was when she dressed as a flapper lady for one of the celebrations.*

“ So many special memories of Lee and my Grandma Shirley. Cared about her and loved her so much. I was just going to stop and visit her this week and talk to her. Was so very sad to hear the news last night. Grandma and her passed within one week of each other and I have no doubt they are enjoying their reunion together in heaven. Thoughts and prayers with all of you! Jessica Marx
